The screenshot shows the NIRB website's Public Registry search page. At the top, there is a search bar and navigation links for 'Sign In' and 'Register'. The main navigation menu includes 'About NIRB', 'Process', 'Resources', 'Contact Us', and 'PUBLIC REGISTRY'. The 'Search Public Registry' section features a 'Keyword Search' area with radio buttons for 'Search Projects' (selected) and 'Search Documents', a search input field, and 'Submit' and 'Reset' buttons. Below this is an 'Advanced Search' section with three expandable panels: 'Project Location' (listing Transboundary, Kikimeot, Kivalliq, North Baffin, and South Baffin), 'Project Type' (listing various categories like Access, Camp, Exploration, etc.), and 'Assessment Status' (listing screening and monitoring stages). To the right, a 'Map Search' section displays a satellite map of North America with a 'Set Search Area' button. A 'ARE YOU A REGISTERED USER?' box is also present, encouraging user registration for feedback.
