Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Please submit all written comments regarding the draft documents to the NIRB by **March 15, 2019** via regular mail, fax or email:

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Please submit all written comments regarding the draft documents to the NIRB by **March 15, 2019** via regular mail, fax or email:

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Please submit all written comments regarding the draft documents to the NIRB by **March 15, 2019** via regular mail, fax or email:

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Please submit all written comments regarding the draft documents to the NIRB by **March 15, 2019** via regular mail, fax or email:

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.

Please submit all written comments regarding the draft documents to the NIRB by **March 15, 2019** via regular mail, fax or email:

By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

Re: Notice of Release of Draft Rules of Procedure and Draft Standard IS Guidelines

Dear Sirs and Madams:

Pursuant to Section 12.2.23 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)* and s. 38 of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*) the Nunavut Impact Review Board (NIRB) is releasing for consultation the enclosed *Draft Rules of Procedure and Draft Standard Impact Statement (IS) Guidelines*. By way of this correspondence the NIRB is inviting interested parties to provide comments on the draft documents by **March 15, 2019**.

The *Draft Rules of Procedure* have been developed as authorized under Article 12, Section 12.2.23 of the *Nunavut Agreement* and s. 26 of the *NuPPAA* and will apply to NIRB proceedings, including Public Hearings.

The *Draft Standard IS Guidelines* have been developed as authorized under Article 12, Section 12.2.23(h) of the *Nunavut Agreement* and s. 26(1)(e) of the *NuPPAA* and provide information to guide Proponents in the preparation of their impact statement documentation as required during the NIRB's assessment of project proposals under Article 12 of the *Nunavut Agreement* and Part 3 of the *NuPPAA*. Once finalized, the Standard IS Guidelines will provide greater certainty for proponents wishing to develop project descriptions with sufficient information to support an assessment by the NIRB and will limit and focus the required development of project-specific guidelines issued during the assessment of a project by the NIRB.

The *Draft Rules of Procedure* and the *Draft Standard IS Guidelines* can be accessed from the NIRB's website in English, Inuktitut, Inuinnaqtun and French at www.nirb.ca/rules-of-procedure.

By way of this correspondence, the NIRB seeks to:

- Ensure you/your organization/agency are aware of the release of the draft documents;
- Advise you/your organization/agency that the NIRB is commencing public consultation regarding the drafts;

- Extend a special invitation to you/your organization/agency to provide your written comments to the NIRB about the draft documents in any of the four languages set out above by **March 15, 2019**; and
- Invite you to get in touch with the NIRB directly if you/your organization/agency would like to have a teleconference or in-person meeting with the NIRB to discuss the draft documents before submitting your comments.
